- **Notice of Work Search Requirement**
Dear Customer:
For all claimants who begin a claim for benefits after January 6, 2013, the Unemployment Insurance Agency (UIA) requires a systematic and sustained work search for each week they claim unemployment benefits. As a claimant, you must report your record of work search at least once a month using one of the following methods:
 - Submit information on the UIA's Claim Portal, under UIA Online Services for Unemployed Workers.
 - Submit Form UIA 1583, Monthly Record of Work Search, via mail or fax, or
 - Appear at a Michigan Works Agency location to file a work search form.
- **Update Regarding Federal Unemployment Extensions**

In addition, as a result of federal budget cuts, EUC will be reduced by 10.7 percent. For more information, please click [here](#) to visit the Emergency Unemployment Compensation Update area.

Michigan Web Account Manager (MiWAM) is live

Dear Michigan Employers:

Michigan employers, thank you for taking the time to share your thoughts about how the Unemployment Insurance Agency (UIA) can improve its online services. We have reviewed your ideas and recommendations and moved forward in implementing a new system, **Michigan Web Account Manager (MiWAM)**. This system is live, replacing the old Employer Web Account Manager (EWAM) as of the evening of Monday, Aug. 13, 2012.

The Agency is committed to keeping you abreast of our progress through a variety of communications channels including email and the US postal service. If you have questions regarding MiWAM, please contact the Office of Employer Ombudsman (OEO) at 1-855-4UIAOEO (855-484-2636), 313-456-2300, or by e-mail

at OEO@michigan.gov.
